- **Bienvenida / Welcome**

Good evening everyone. Welcome to the first parent meeting for the CAMINO Parent Group of the 2026-2027 school year. We are so happy that you are all here with us tonight.

If you don't know, CAMINO is the school's non-profit PTO. We are a group of parents who volunteer our time to support Del Roble. We bring in enrichment for the kids, we fund all the school's field trips and try to support the teachers and staff as best we can. We have a lot of volunteer opportunities throughout the school year, and we hope to see you out there.

We'd like to take a minute to introduce ourselves. I am one of the presidents, Kelsey Aquino. This is my second term as president and my 8th year on the board. I have a 6th grader and a 4th grader and a 2 year old.

Introductions of members who are attending:

Fundraising: Ashley Pineda & Anna Koski

Special Events: Nikki Shoffner & Oscar Fierros

Secretaries: Melissa Reinken & Nashely Villalvazo

Treasurers: Ida Rosenblum & Samantha Carlos

Enrichment: Alejandro Zamaniego & Laura Cortes

Teacher/Class Support: Mayra Salazar

Member at Large: Jai Huynh & Jessica Sifuentes

Every year, we do save one member-at-large position, hoping that it'll be filled by a new TK or Kinder parent. If anybody is interested, please reach out to us via email or find one of us on campus, and we can talk more about the position and how you can join us. Please join our Camino Group on Facebook and Instagram. We use these platforms to send out a lot of information regarding special events and volunteer opportunities.

We are looking to hold our Camino Parent Meetings every 6 to 8 weeks depending on holidays/time away from school. Please keep an eye out on Parent Square and the calendars sent out by Cassandra each month for our upcoming meeting days! Our next board meeting we are planning to have in person

10/6/2026 / (6:00-7:00 p.m.)

-
- Parent asking for signs at drop off - With reminders of drop off and pick up rules to try and make it smoother for families
 - Parent asking about functions at school
 - Some are CAMINO run and others that are Director run? Is this correct?
 - Specifically budgeted items have been created by end of previous school year, so we do not have CAMINO funds for ALL events
 - Pozolada - HABLA Parent Group, etc. Events for The Village
 - Noches Patrias - Example
 - Camino did not organize but we as a community put out the event
 - All communications go through Dr Rodriguez so it is certain that all families have access and see communications. Whereas Camino is a subscribed view on parentsquare and may not reach all families
 - Is it going to be a sign up genius? Do you email for volunteering? - Camino will review about how we will go with Volunteering
 - Camino has mentioned that they are working on a CAMINO website which will have all information, updates, events, volunteering platform.
 - Director handles the Del Roble website - And District also updates automatically as well
 - Camino is working to push to get organized and working with other public school PTOs
 - Check if where you work offers matching
 - Parent asking if CAMINO can budget for Raz Kids for next year. CAMINO works with teachers to get input to make sure all teachers want this program or an equally similar platform.
